

Our Lady Immaculate Catholic Primary School

SEND Policy 2015/17

COMPLIANCE

This policy complies with the statutory requirement laid out in the SEND Code of Practice 0 – 25 (2014) and has been written with reference to the following guidance and documents:

- Special Educational Needs and Disability Regulations 2014
- Special Educational Needs Code of Practice 2014
- Statutory Guidance on Supporting Pupils with Medical Conditions 2014
- Teachers' Standards 2012
- Equality Act 2010: advice for Schools DFE Feb 2013
- Schools SEN Report Regulations 2014-08-30
- Accessibility Plan
- Safeguarding Policy

1. Name and contact details for the SENCO: Mrs. J Brown

Mrs. Brown is currently studying for The National Award for SEND Coordination.

This policy was created by the school's SENDCO with the SEND Governor in liaison with the Senior Leadership Team, all staff and parents of pupils with SEND. It was a co-produced policy in the spirit of current reform (2014).

The SENCO at Our Lady Immaculate Catholic Primary School is Mrs. J Brown.

She can be contacted directly at the school on 0151 260 8957 or via email at admin@oliprimaryschool.co.uk.

2. The policy was produced on: 1st June 2015.

It will be reviewed on: 1st June 2017.

3. Aims and objectives of Our Lady Immaculate Catholic Primary School in relation to SEND provision

We are a Catholic school;

One family living and learning together in faith.

Our mission is to develop a Christ centered community which recognises Christ's love in every person and reflects the gospel values in everything that we do.

Our beliefs and values for our pupils.

Our aim is to:

- *Provide a safe, caring environment where we share strong, positive relationships and have respect for ourselves and others.*
- *Educate our children within our Catholic faith, fostering an awareness of oneself as a member of a family, school, parish and our wider community.*
- *Raise standards and set high expectations for the personal development and academic potential of all.*
- *Encourage and support each child so that they develop the skills to become an integral member of our society today and in the future.*

In addition to quality first teaching we endeavor:

- To create an ethos and educational environment that is person centered and has the views and needs of the child at its heart along with their families and carers.
- To encourage a strong focus on high aspirations and on improving outcomes for children and young people with SEND which will enable them to succeed in their education and make a successful transition into adulthood.
- To reflect the New Code of Practice (2014) in stating that teachers are responsible and accountable for the progress and development of the pupils in their class, including where pupils access support from teaching assistants or specialist staff. (p86, para 6.33). Every adult is an educator of every child; including those with special educational needs or disabilities.
- To fully adopt the graduated approach to ensure that all pupils with special educational needs and/or disabilities are identified early, assessed and catered for within the school/setting with high expectations for the best possible progress;
- To work within a 'person centered approach', fostering and promoting effective collaboration with children/young people, parents/carers and outside agencies;
- To encourage and engage the participation of children and young people and parents in the decision making and the planning and review of outcomes with regard to their provision.

- To clearly identify the roles and responsibilities of school staff and the SEN Governor in providing an appropriate education for pupils with special educational needs and/or disabilities;
- To be proactive in enabling full access for pupils with SEND to all manageable aspects of the school curriculum and the wider school life and activities thus developing positive self-esteem with a long term goal of independence and preparation for adulthood.
- To embed our Archdiocesan Religious Education Programme, “Come and See” and Collective Worship to support Spiritual, Moral, Social and Cultural development, (SMSC).

4. How Pupils with SEN are identified within Our Lady Immaculate Catholic Primary School

The school’s particular arrangements for assessing and identifying pupils as having SEN also form a part of our published **Local Offer** which was produced in consultation with parents in cooperation with the Local Authority and with due regard to the general duties to promote disability equality.

- We recognise the definition of SEN as stated in the Code of Practice 2014:

“A pupil has SEN where their learning difficulty or disability calls for special educational provision, namely provision different from or additional to that normally available to pupils of the same age”. (p83)

- The school reflects what the Code of Practice states (p88 sect 637) in that pupils are only identified as SEN if they do not make adequate progress once they have had all the interventions, adjustments and good quality personalised teaching. This is known as ‘SEN Support’.
- We are alert to emerging difficulties which may not be evident at an early age; these concerns may be expressed by parents or the children themselves. Equally it is not assumed that attainment in line with chronological age means that there are no learning difficulties as it very much depends on the individual case.
- The four broad areas identified within the SEN Code of Practice 2014 (p86) are **‘Communication and Interaction’, ‘Cognition and Learning’, ‘Social, Emotional and Mental Health Difficulties’** and **‘Sensory and or Physical Needs’** and the children are identified largely within these areas. These areas exemplify the range of need for which the school is able to identify and provide support from within the school’s provision.
- The purpose of identification is to work out what action the school needs to take, not to fit a pupil into a category. The school identifies the needs of pupils by considering the needs of the whole child which will include not just the special educational needs of the child or young person.
- The ability to identify SEND and adapt teaching in response to the diverse needs of pupils is a core requirement of the teachers’ standards (2012); teachers are guided and supported in this by the SENCO and her team. Information is shared appropriately and frequently.
- Although the SENCO, in partnership with the support of the SEND Team; has overall responsibility for the identification of pupils with SEND in the school; it is recognised that other members of teaching and pastoral staff have a key role to play in this process. This is part of the collective responsibility and collaborative approach of the school.
- Early identification of pupils with SEND is a crucial factor in overcoming barriers to learning. The SENCO works closely with the SMT and school assessment coordinator to interrogate the school tracking data, RAISE online data and Family Fisher Trust, (FFT).

At Our Lady Immaculate, we also use a number of indicators to identify pupils' special educational needs. Such as:

- Close analysis of data including: Early Years Foundation Stage (EYFS), termly and yearly assessments, reading ages and annual pupil assessments.
- Any teacher or support staff concerns.
- Following up parental concerns.
- Tracking individual pupil progress over time.
- Liaison with feeder schools upon transfer.
- Information from previous schools.
- Information from other services and experts offering external support.
- Very close liaison at the outset with EYFS staff and the SENCO, the SENCO Team and parents.

What is not SEND but may impact on progress and attainment may include:

- Disability.
- Attendance and punctuality.
- Health and welfare.
- Children in receipt of pupil premium or pupil premium plus.
- Children looked after, (CLA) pupils.
- Unofficial looked CLA pupils.
- Being a child of servicemen or women.
- Being a young carer.
- EAL pupils.
- Children who are asylum seekers or have refugee status.

5. Our Lady Immaculate School teaches pupils with special educational needs

Differentiated, quality first teaching is a priority for all pupils in the school including those with SEND.

- Where a pupil is identified as having SEN, action is taken to remove barriers to learning and put effective special educational provision in place.
- The SEN support takes the form of a four part cycle through which earlier decisions and actions are revisited, refined and revised with a growing understanding of the pupil's needs and of what supports the pupil in making good progress and securing good outcomes. This cycle is known as the graduated approach (**Assess, Plan, Do and Review**).

6. How Our Lady Immaculate Catholic Primary School adapts the curriculum and the learning environment for pupils with special educational needs

- The Disability and Discrimination Act (DDA), as amended by the SEN and Disability Act 2001, placed a duty on all schools and Local Authorities to plan to increase over time the accessibility of schools for disabled pupils and to implement their plans. In line with this there is a fully developed accessibility plan which is in writing and which is also available on the school's website.
- The school is proactive in removing barriers to learning.

We also undertake specialist support and training for our pupils. This support includes the following external agencies:

Abbots Lea Special School - support for children with ASD-termly and staff training.

Bank View Special School - support for children with learning difficulties-weekly.

Ernest Cookson School – support for children with ADHD, behavioural and emotional difficulties-weekly in addition to staff training when required.

Educational Psychologist Support-termly support.

SENISS- support for children within EYFS and in other Key Stages through an SLA-termly or as required.

LA support-TAS –termly.

Art therapy-weekly through YPAS-two terms initially.

Play therapy-weekly through an external consultant-yearly contract.

School Family Support Worker – ten week support programme for families.

EMTAS support for our EAL children and their families-weekly support-SLA.

Parental Courses from YPAS/ ADHD Foundation e.g. The Incredible Years.

We are beginning or in the process of working towards the following accreditations:

- NASCO Award 2014-15
- Dyslexia Friendly Award 2015-16
- Basic Skills Award 2015-16
- Inclusion Charter Mark 2015-16
- E-Safety 360 2014-16

Members of the SMT and SENCO Team will be leading upon these accreditations.

- The school increases and promotes access for disabled pupils to the school curriculum. This covers teaching and learning and the wider curriculum of the school such as participation in after-school clubs, leisure and cultural activities or school visits.
- The school improves access to the physical environment of the school in consultation with the school surveyor, staff and when appropriate, parents. Please see our school DDA plan, this is available on our school website. This covers improvements to the physical environment of the school and physical aids to access education.
- The school strives to improve the delivery of information to pupils with SEND and their families and when appropriate for disabled pupils. This will include planning to make written information that is normally provided by the school to its pupils available to disabled pupils. Examples might include hand-outs, timetables, textbooks and information about school events. The information should take account of pupils' disabilities and pupils' and parents' preferred formats and be made available within a reasonable time frame.

7. How your school assesses and reviews the progress of pupils with special educational needs

ASSESS:-In Assessing a child the school will carry out an analysis of the pupil's needs which draws on the teacher's assessments and experiences of the pupil, their previous progress and attainment. This is put in the context of the individual's development compared to the school's core approach to pupil's progress, attainment and behaviour and their peers and national data.

The pupil's own views are sought as are those of external support services if involved. The school liaises fully with outside agencies who are conducting the assessments. Any concerns by parents are actively listened to and recorded.

In our school assessments are on-going. However pupil progress, towards targets are reviewed half termly; these levels are shared with pupils and their parents.

PLAN: - We recognise that we **must** formally notify parents if their child is being provided with SEN support despite prior involvement and communication. The teacher and SENCO agree in consultation with the parent and pupil the adjustments, interventions and support to be put in place as well as the expected impact on progress (outcomes), development or behaviour along with a clear date for review.

DO: - The School's SENCO Mrs. Brown; and the SEND Team, supports the class teacher in problem solving and advising on the effective implementation of support and in further assessments.

The teacher remains responsible for working with the child and where the interventions involve group or one to one teaching away from the teacher, they remain responsible for overseeing this and work closely with teaching assistants or specialist staff involved to plan and assess the impact of support and how they can be linked to classroom teaching.

REVIEW: - Reviews are carried out on the agreed date. Some children have an EHC (Education, Health and Care Plan). These must be reviewed by the local authority in partnership with the school at least annually. These reviews are arranged at school and are part of the SENCO's role. When we review we evaluate the impact and quality of the support and take into account the views of the parents and pupils. This feeds back into the analysis of the pupil's needs. The teacher working with the SENCO will revise the support in the light of the pupil's progress and development and any changes to support and outcomes will be made in consultation with the parent and pupil.

We strive to provide clear information to parents about the impact of support and interventions provided enabling them to be involved in planning next steps. In transition to another setting information to be passed on will be shared with parents and pupils and this may involve others being present at review meetings and the SENCO attending meetings offsite to support the transition process. The class teacher may also be present at these meetings.

8. How Our Lady Immaculate School manages the needs of pupils who qualify for SEN support

- In many cases the pupil's needs are effectively met within school. The way this is done is accessed in the School's Local Offer which is published can be seen on the School's website and the Liverpool Family Services Directory.
- Where a pupil continues to make less than expected progress despite evidence based support matched with interventions addressing areas of need it may be necessary to involve specialists in the school or from outside agencies. Parents will always be informed and involved in the decision to procure the advice of a specialist and their consent will be required formally by agencies. (Except in child protection cases where a child is deemed to be at risk).
- Where assessment indicates that support from specialist services is required the school strives to ensure that the pupil receives this as quickly as possible. The Local Offer sets out clearly what support is available and how it can be accessed. Support Services used in Our Lady Immaculate, include for example Educational Psychology, CAMHS (Child and Adolescent Mental Health Service), Speech and Language Therapy Services to name a few.
- Some children may have multi-agency involvement and the school will consider the criteria for the levels of need and where relevant may decide in consultation with Liverpool's 'Responding to Need Guidance and levels of Need Framework' that an EHAT (Early Help Assessment Tool), is appropriate.
- Where, despite the school having taken relevant and purposeful action to identify, assess and meet the need of the child or young person and they have not made expected progress, the school or parents should consider requesting an Education, Health and Care needs assessment. In applying for this the school presents evidence of the action taken as part of SENSUPPORT.

9. How Our Lady Immaculate School works with parents and carers in planning for provision and reviewing progress, and how you support them in accessing information

- At Our Lady Immaculate, we recognise that the impact of SEN support can be strengthened by increasing parental engagement in the approaches and teaching strategies that are being used. We also value and welcome the essential information on the impact of SEN support outside school as well as the parents and carers particular knowledge of their child and any changes in needs which they can provide.
- In creating the School's Local offer parental consultation was crucial and parents views on this were sought, acted upon and valued. This is an ongoing process and the school operates an open door policy where parents are encouraged to communicate openly with the school in a timely way should they have any concerns regarding their child. There

are other systems to encourage communication such as our ASD Parent Support group, questionnaires and coffee mornings etc.

- Where a pupil is receiving SEN Support the school endeavors to talk to parents regularly to set clear outcomes and review progress towards them, discussing the activities and support that will help achieve them and identify the responsibilities of the parent, the pupil and the school.
- At all stages of the SEN process the school keeps parents and carers fully informed and involved. Regular meetings are scheduled throughout the academic year to share the progress of the pupils with parents and carers and to take account of their views. It is hoped that this will assist in supporting pupils to reach their full potential. Parents and carers are encouraged to make a full and active contribution to their child's education. Thorough records of outcomes, actions and support as well as contact with parents form an important part of monitoring and recording for the school.

10. How Our Lady Immaculate enables pupils with SEND to participate in all activities together with pupils who do not have SEND

- At Our Lady Immaculate we recognise our duties regarding equality and inclusion for individual disabled children and young people under the Equality Act 2010. We will make reasonable adjustments when necessary, including the provision of auxiliary aids and services for disabled children to prevent them being put at significant disadvantage. We also recognise that these are anticipatory duties and strive to make arrangements in advance to prevent disadvantage. It is important to foster good relations and promote equality of opportunity generally so that barriers to learning are removed.
- Children are encouraged to participate fully in the life of the school. This includes extra-curricular clubs and activities where the SENCO monitors the attendance of those with Special Educational Needs and disabilities to ensure that there is good representative participation from these groups.

11. What support Our Lady Immaculate offers for improving the emotional, mental and social development of pupils with special educational needs.

We recognise that some children and young people may experience a wide range of social and emotional difficulties which manifest themselves in different ways. These may include:

- becoming withdrawn or isolated.
- displaying challenging, disruptive or disturbing behaviour.

These behaviours may reflect underlying mental health difficulties such as anxiety or depression, self-harming, substance misuse, eating disorders or physical symptoms that are medically unexplained. Other children and young people may have disorders such as:

- Attention Deficit Disorder (ADD)
- Attention Deficit Hyperactive Disorder (ADHD)
- Attachment Disorder (AD)

It is also recognised by the school that children may display certain behaviours as a result of self-esteem or other issues such as neglect.

In our school we have clear processes to support children and young people and this is linked to Inclusion, behaviour management, Anti-bullying, PSHE, RE and Collective Worship, Child protection and Safeguarding policies. These policies include detail on how the school manages effects of any disruptive behaviour so that it does not adversely affect other pupils. The school provides support for pupil's emotional, mental and social development in the following ways, some of which are identified below:

- R Time Provision
- Circle Time
- Rainbows
- Massage in Schools Programme
- PSHCE Curriculum
- SMSC and our Archdiocesan Religious Education Programme," Come and See."

12. How senior leaders and governors monitor and evaluate the impact of the school's SEN provision.

Whilst the full governing body remains responsible for SEND they often appoint a SEN Governor to support their work. The SEN Governor at Our Lady Immaculate Catholic Primary School is – Mrs. C Murray. She can be contacted via the head teacher or Chair of Governors. The SEND Governor promotes the development of SEN provision by:

- championing inclusion and promoting a greater understanding of issues related to SEN by the Governing Body;
- being familiar with key legislation and policy;
- fostering communication between parents and carers of children with SEND and the school;
- meeting regularly with the SENCO and visiting classrooms;
- ensuring they have an understanding of the role of the SENDCO and how pupils are supported;
- developing an awareness of the types of SEND present within the school cohort;
- reporting regularly to the Governing Body;
- understanding how funding received for SEN is allocated by the school;
- attending training in relation to SEND;

- assisting in monitoring the progress of vulnerable pupils;
- reviewing and monitor the effectiveness of the SEND Policy.

The Governing Body will report annually on the success of the policy under the statements listed in 'The aims and values of this policy' p5). The SEN Governor will also liaise with the SENCO in relation to the Local Offer and the SEN Information report.

In evaluating the effectiveness of this policy, the school will consider the views of:

- Reports presented by the Head teacher, SENCO and Link SEN Governor
- Parents and carers
- Pupils
- Outside Agencies

Pupil's attainment and progress will provide detailed and quantifiable evidence relating to the success of the SEND policy and this will be analysed carefully through:

- Consideration of each pupil's success in meeting outcomes.
- Use of standardised tests including reading, spelling and numeracy ages,
- An analysis of external tests including SATs,
- The school's tracking systems and teacher assessments,
- Evidence generated from School Support Plans, Behaviour Plans and Annual Review meetings.
- Raise online information,
- FFT information,
- Data dashboard,
- Reports provided by outside agencies including Ofsted.

13. What training on SEN will be available for teachers, support staff and the SENCO?

All primary schools within an SEN Consortia share best practice and offers support within the locality. Training on SEN is arranged through these and with the support and involvement of the services attached to these, The training is needs led and linked to the school development plan, needs of the particular consortia and the school's Local Offer. Specific training can be provided for the SENCO, Teaching Assistants, whole school and parents. Liverpool school Improvement service provides two SENCO Briefings and an annual SENCO Transition Forum (KS2/3) in June where any pupils with SEND and/or vulnerable pupils can be discussed in person and a transition plan can be put in place.

All teaching and support staff are encouraged to attend courses and training that assist them in acquiring the skills needed to work with pupils with SEND. The SENCO provides school-based INSET and targeted support to develop awareness of resources and practical teaching strategies for use with pupils with SEND.

A needs analysis to determine INSET requirements of staff (including Governors) in the area of SEND will be conducted annually. The School's INSET needs are included in the School Development Plan and the outcomes and impact of these will be detailed in the SEN Information report.

14. How SEND is funded.

The notional SEN budget is for school leaders to use in ways considered most appropriate in improving outcomes for pupils. It can for example be aligned with other funding (e.g. pupil premium) to optimise impact. The SENCO along with other key staff in the school has a key role in determining how this budget is used, for example to provide interventions and targeted support.

The school budget allocation for SEND in the year 2014 to 2015 is detailed in the SEN Information report. The Governing Body oversees this expenditure and therefore ensures resources are directed to support appropriate SEND provision as outlined in this policy.

The school allocates SEN funding in the following ways:

1. Learning Support Teachers and Teaching Assistants;
 2. Training for all Teachers and Teaching Assistants so that they can meet pupils' needs more effectively;
 3. Specialist books and equipment;
 4. In class and withdrawal support from the SENCO, SEN Teacher or support staff;
 5. Ramped access to the main buildings of the school;
 6. Disabled toilet facilities;
 7. ICT provision;
 8. Small group targeted teaching;
- Purchasing and maintenance of ICT and electronic equipment to support teaching and learning.

15. How your school supports pupils with medical conditions

We have adopted the Local authority's policy for Supporting Medical Conditions in School'.

16. How Our Lady Immaculate approaches its statutory duties in terms of increasing its accessibility over time.

All pupils have equal access to a broad and balanced curriculum differentiated to enable ALL pupils to understand the relevance and importance of an appropriate education. This promotes self-esteem and confidence that will lead to pupils making relevant progress that is closely monitored.

Teachers use a wide range of strategies to meet pupil's special educational needs. Lessons have clear learning objectives and success criteria, are differentiated appropriately and assessed to inform the next stage of learning.

The school's Teaching and Learning Policy and Marking and Feedback Policy promotes best practice towards students with SEN.

Provision Mapping features significantly in the SEN provision provided by the school. Intervention Plans contain outcomes to ensure that all pupils experience success.

Following The Equality Act 2010 it states that education providers must also make 'reasonable adjustments' to ensure that disabled students aren't discriminated against. Making reasonable adjustments could include:

- changes to practices or procedures,
- changes to physical features,
- changes to how learners are assessed,
- providing extra support and aids (such as specialist teachers or equipment).

The obligation for schools to provide extra support such as specialist teachers or equipment will be introduced at a later date.

Relevant information is shared with parents and carers of pupils on Special Needs Support or with an Education Health and Care Plan (EHC Plan). They receive regular details on the agencies involved with their child's education and are signposted according to their child's needs. Key information is also shared within the school to ensure teachers are up to date with developments.

17. How Our Lady Immaculate School handles complaints from parents and carers of pupils with SEN about SEN provision.

Any complaints should first be raised with the SENCO, then if necessary with the Head teacher and finally, if unresolved, with the SEN Governor. All complaints follow the school's complaints procedure.

Managing parental complaints related to SEN (any of the following may apply).

- Meetings with the parents and carers are arranged, perhaps involving a mediator such as the 'Information, Advice and Support Service' (currently Parent Partnership).
 - Key issues are identified, including where there is agreement.
 - Discussions should take place with the SENCO.
 - The class teacher /Team Leader may also be present.
 - Reports provided by outside agencies should be considered.
 - Outcomes are reviewed examining what progress the pupil has made.
- Any behaviour logs should ensure strategies are included and shared with parents/carers.

18 Who is responsible for what?

We acknowledge that the SENCO shares responsibility with the rest of the staff within the school and the governing body. Whilst the full governing body remains responsible for SEND they often appoint a SEND Governor to support their work. The SEN Governor at Our Lady Immaculate promotes the development of SEN provision. Please refer back to section 12.

The Governing Body will report annually on the success of this policy under the statements listed in '**The aims and objectives of this policy**'

In evaluating the effectiveness of this policy, the school will consider:

- Findings of the SEN Information Report, including its Local Offer.
- Reports presented by the Head teacher, SENCO and Link SEN Governor.
- Parents/carers.
- Pupils.
- Outside Agencies with evidence of joined together working.

Pupil's attainment and progress will provide detailed and quantifiable evidence relating to the success of the SEND policy and this will be analysed carefully through:

- Consideration of each pupil's success in meeting their agreed outcomes.

- Use of standardised tests including reading, spelling and numeracy ages.
- An analysis of external tests including SATs.
- The school's tracking systems and teacher assessments.
- Evidence generated from Provision mapping and related interventions and person centered planning reviews from Education, Health and Care plans and EHATs.
- Raise online information.
- Reports provided by outside agencies including Ofsted.

The role of the SENCO

The role of the SENCO involves:

- Ensuring all practitioners in the setting understand their responsibilities to children with SEND and the setting's approach to identifying and meeting SEN.
- Advising and supporting colleagues.
- Ensuring parents are closely involved throughout and that their insights inform action taken by the setting, and
- Liaising with professionals or agencies beyond the setting.
- The SENCO has day-to-day responsibility for the operation of SEN policy and co-ordination of specific provision made to support individual pupils with SEND, including those who have EHC plans.
- Overseeing the day-to-day operation of the school's SEN policy and updating it annually and overseeing and updating the school's SEN information report in line with statutory guidelines.
- Co-coordinating provision for children with SEND.
- Liaising with the relevant Designated Teacher where a looked after pupil has SEN.
- Advising on the graduated approach to providing SEN support.
- Advising on the deployment of the school's delegated budget and other resources to meet pupils' needs effectively.
- Liaising with parents of pupils with SEN.
- Liaising with early years providers, other schools, educational psychologists, health and social care professionals, and independent or voluntary bodies.
- Being a key point of contact with external agencies, especially the local authority and its support services.
- Liaising with potential next providers of education to ensure a pupil and their parents are informed about options and a smooth transition is planned.
- Working with the head teacher and school governors to ensure that the school meets its responsibilities under the Equality Act (2010) with regard to reasonable adjustments and access arrangements.
- Ensuring that the school keeps the records of all pupils with SEND up to date.
- Monitor and support a graduated approach of Assess, Plan, Do and Review.
- To ensure that resources and support are allocated and maintained to all those individual pupils who may need additional provision of support staff in our school including Teaching Assistants, Learning Mentors, and other staff who undertake nurturing roles within the school community.
- Review the work of other adults regularly. In reviewing pupil progress and tracking achievement, SENCOs should review targeted support on a regular basis.
- Be actively involved with the analysis and interpretation of data for the whole school and in the planning and intervention of those pupils not making expected progress and plan appropriate interventions in conjunction with other staff.
- Advising on the deployment of the school's delegated budget and other resources to meet pupils' needs effectively, in consultation with (the Senior Management Team, (SMT)).

- Liaising with other early years providers when necessary, other schools, educational psychologists, health and social care professionals, and independent or voluntary bodies.
- Being a key point of contact with external agencies, especially the local authority and its support services.
- Liaising with potential next providers of education to ensure a pupil and their parents are informed about options and a smooth transition is planned.
- Working with the head teacher and school governors to ensure that the school meets its responsibilities under the Equality Act (2010) with regard to reasonable adjustments and access arrangements.
- Ensuring that the school keeps the records of all pupils with SEND up to date for example participation of pupils in clubs and activities and SIMS.

In line with good practice reference to children with SEND is included in all our policies.

This SEND Policy was produced on 1st June 2015 and will be reviewed on 1st June 2017.
