## Our Lady Immaculate Catholic Primary School

### Class Celebrations

---

Assemblies are a very important aspect of our home school links and keeping parents informed and involved in the Religious Education of your children. They also help to raise the profile of our school within the community and share with you the lovely things that regularly go on in our school on a day to day basis. You are always welcome to join in with our Collective Worship during Advent and Lent; a time for reflection, preparation and prayer.

It is important that we invite all parents and extended family members to celebrate your children's work, achievements and progress together. Do try to come along.

<b>Week Beginning</b>	<b>Year Group</b>
<b>30.09.19</b>	Year 2 Miss Whittaker
