

## Computing Coverage 2019-2020

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
<b>Nursery</b>	<p><b>Understanding the World - Tech</b></p> <ul style="list-style-type: none"> <li>-To use the home button to navigate the screen.</li> <li>-To swipe the screen to move from screen to screen.</li> <li>-Understand computers can convey information.</li> </ul>	<p><b>Understanding the World - Tech</b></p> <ul style="list-style-type: none"> <li>-Use torches turning them on and off.</li> <li>- Use the torches beam to manipulate the light and change colours.</li> <li>-Shine the torch through different papers.</li> <li>-Provide torches and cover tables to make dark spaces.</li> <li>- Using RM Colour Magic and the 'fill tool' to create 'Rangoli' patterns for Diwali.</li> </ul>	<p><b>Understanding the World - Tech</b></p> <ul style="list-style-type: none"> <li>-Capture key moments using a digital camera.</li> <li>-Children learn the on/ off switch, the zoom lens, the flash, the digital picture.</li> <li>-Children record 5 key moments of their day.</li> </ul> <p><b>MGL (Educational Consultant) to add additional teaching this term.</b></p>	<p><b>Understanding the World - Tech</b></p> <ul style="list-style-type: none"> <li>-Seeks to acquire basic skills in turning on and operating some ICT equipment.</li> <li>-Operates mechanical toys, e.g. turns the knob on a wind-up toy or pulls back on a friction car.</li> <li>VR Goggles/ Beebots/ Green Screen / Ipads.</li> </ul>	<p><b>Understanding the World - Tech</b></p> <ul style="list-style-type: none"> <li>-Sound buttons, children to record a story on the sound buttons.</li> <li>-Children learn how to over write the original message and delete and re-record.</li> <li>- Exploring computing equipment.</li> <li>- Reading electronic book.</li> </ul>	<p><b>Understanding the World - Tech</b></p> <ul style="list-style-type: none"> <li>- Exploring computing equipment outside using remote controlled toys.</li> <li>- Everyday technology in the outside / indoor role-play area e.g. an iron.</li> <li>- Exploring different moving toys and working on key vocabulary like turn, push, pull, lift, press, button and remote control.</li> </ul>
<b>Reception</b>	<p><b>Understanding the World- Tech</b></p> <ul style="list-style-type: none"> <li>-Arrange unused items of technology within continuous</li> </ul>	<p><b>Understanding the World- Tech</b></p> <ul style="list-style-type: none"> <li>-Children to use headphones as a way of listening to computers.</li> </ul>	<p><b>Understanding the World- Tech</b></p> <ul style="list-style-type: none"> <li>-BBC Schools – Dancemat Typing</li> </ul>	<p><b>Understanding the World- Tech</b></p> <ul style="list-style-type: none"> <li>-Early Learning Goal Children recognise that a range of</li> </ul>	<p><b>Understanding the World- Tech</b></p> <ul style="list-style-type: none"> <li>- Using 'Hot Maths' software to support counting and number</li> </ul>	<p><b>Understanding the World- Tech</b></p> <ul style="list-style-type: none"> <li>-Using 'Daisy the Dinosaur' App to try out different</li> </ul>

	provision, camera's, key boards, mouse, radio cassettes, ipods. -Class desktops to be accessed by the children. Log on details taught, manipulating the mouse and on-screen instructions. -Purple Mash. -Ipads.	- Learning basic Internet navigation skills and computer keyboarding skills (1 finger I hand). -Use an Ipad to create a picture. - To create a firework picture using fill and spray can tools. -Ipads.	-Stranger Danger, children aware of internet safety. - To select, drag and drop features to create a picture or move an item -Phonics Apps (manipulate and select correct data). -Ipads.	technology is used in places such as homes and schools. - They select and use technology for particular purposes. <b>MGL (Educational Consultant) to add additional teaching this term.</b> VR Goggles/ Beebots/ Green Screen / Ipads.	work on interactive touchscreen. - Using 'Phonics play' software to support phonics work on interactive touchscreen. -Navigate appropriate curriculum APPs. -Ipads.	sequences of instructions. -Purple Mash.
<b>Year 1</b>	- Log on independently. - Using the Bee-bots on a pirate map. Positional language (CP). -Access curriculum Apps independently and navigate correctly. -Reading Wise. - Computer component names.	-Programming, Coding, Gaming Robotics Giving instructions to Floor turtles and on-screen sprites. -Creating algorithms. Beebot, Kodable, Daisy Dino. -Avatar creator, Pic Collage. <b>MGL (Educational Consultant) to add additional teaching this term.</b>	-Access curriculum Apps independently and navigate correctly. -Reading Wise - Stranger Danger, Internet Safety. -Browser skills: open, minimize, maximize, scroll, forward, back, close.	-Access curriculum Apps independently and navigate correctly. -Reading Wise. -Internet Safety: I will not share my details with anyone else and will know to advise an adult when there is something I do not like or scares me. -Publish information about how leaves change colour & the seasons. -Design a poster about online safety.	-Access curriculum Apps independently and navigate correctly. -Reading Wise. -Research using search engines to collect information and publish information about Kitty Wilkinson. -Draw & Label parts of a plant using 2Simple / Purple Mash. -Use a program such as Paint to create a picture. (link to Art).	-Access curriculum Apps independently and navigate correctly. -Locate and access correct programme. -Reading Wise. -Know how to log out safely and the reason why. -Internet safety, passwords. -Google Maps – link to Geography & Kenya. -Life cycle of a plant research using search engines.
<b>Year 2</b>	-Researching on the Internet and making fact sheets about the Titanic.	-Communicating & The Web. -Internet safety. -Coding using scratch.	-Graphing, picture graphs created using Purple Mash. 2Graph. -Use technology purposefully to create, organise,	-Design a poster about online safety. -Research healthy food using search engines.	-Use green screen to create own story of Jim & The Beanstalk. -Internet Safety, use technology safely and	-Internet Safety, use technology safely and respectfully, learn who to go to for help. -Design a leaflet about Southport or

	<ul style="list-style-type: none"> <li>-Writing a set of instructions using Microsoft Word.</li> <li>-Typing using 1 finger 2 hands.</li> <li>-Navigate the keyboard</li> <li>-Navigate using the touchpad.</li> </ul>	<ul style="list-style-type: none"> <li>-Christmas card creation using painting and creative packages.</li> <li>-TTRS – links to time tables.</li> </ul> <p><b>MGL (Educational Consultant) to add additional teaching this term.</b></p>	<ul style="list-style-type: none"> <li>store, manipulate and retrieve digital content – link to maths.</li> <li>-Successfully search the internet to collate facts about Rosa Parks/Mary Seacole.</li> <li>-Reading Wise App.</li> </ul>	<ul style="list-style-type: none"> <li>-Present findings using technology purposefully to create, organise, store, manipulate and retrieve digital content.</li> </ul>	respectfully, learn who to go to for help.	Liverpool using purple mash. (link to enrichment trip.
<b>Year 3</b>	<ul style="list-style-type: none"> <li>-Problem Solving &amp; The Real World</li> <li>- Design a model onscreen using Lego design software Minecraft</li> </ul> <p><b>MGL (Educational Consultant) to add additional teaching this term.</b></p>	<ul style="list-style-type: none"> <li>-TTRS, links to time tables.</li> <li>-Volcanoes - use search technologies effectively, appreciate how results are selected and ranked, and be discerning in evaluating digital content.</li> <li>-Forces &amp; Magnets, collecting, analysing, evaluating and presenting data and information.</li> <li>-Internet Safety, recognise acceptable/unacceptable behaviour.</li> </ul>	<ul style="list-style-type: none"> <li>-TTRS links to time tables.</li> <li>-Sketch up to create Ancient Greek Temples.</li> <li>-Research famous artist using browser safely.</li> <li>-Reading Wise App.</li> </ul>	<ul style="list-style-type: none"> <li>-Design a poster about online safety.</li> <li>-TTRS links to time tables.</li> <li>-Link to literacy, SKYPE - Saviour Pirotta OLI author.</li> <li>-Reading Wise App.</li> <li>-Research &amp; Share information about the Mediterranean.</li> </ul>	<ul style="list-style-type: none"> <li>-TTRS links to time tables.</li> <li>-Reading Wise App.</li> <li>-Coding - design, write and debug programs that accomplish specific goals, including controlling or simulating physical systems; solve problems by decomposing them into smaller parts.</li> </ul>	<ul style="list-style-type: none"> <li>-TTRS links to time tables.</li> <li>-Reading Wise App.</li> <li>-Understand computer networks including the internet; how they can provide multiple services, such as the world wide web; and the opportunities they offer for communication and collaboration.</li> </ul>
<b>Year 4</b>	<ul style="list-style-type: none"> <li>-Collecting, Exploring and Recording Data.</li> <li>-Databases. Purple Mash databases.</li> <li>-Spreadsheet and graphs.</li> <li>-Presenting findings Excel.</li> </ul> <p><b>MGL (Educational Consultant) to add additional teaching this term</b></p>	<ul style="list-style-type: none"> <li>-Internet Safety- use technology safely, respectfully and responsibly; recognise acceptable/unacceptable behaviour; identify a range of ways to report concerns about content and contact.</li> </ul>	<ul style="list-style-type: none"> <li>-Sketch up to create Ancient Greek Temples.</li> <li>-Research famous artist using browser safely.</li> </ul>	<ul style="list-style-type: none"> <li>-Design a poster about online safety.</li> <li>-Link to literacy, SKYPE - Saviour Pirotta OLI author.</li> <li>-Research &amp; Share information about the Mediterranean.</li> </ul>	<ul style="list-style-type: none"> <li>-Coding - design, write and debug programs that accomplish specific goals, including controlling or simulating physical systems; solve problems by decomposing them into smaller parts.</li> </ul>	<ul style="list-style-type: none"> <li>-Understand computer networks including the internet; how they can provide multiple services, such as the world wide web; and the opportunities they offer for communication and collaboration.</li> </ul>

Year 5	<p>-Macbooks: basic skills (typing, opening and closing programme, using the internet safely). Navigating the screen and double click mouse pad.</p> <p>-Research skills – Ancient Egypt.</p>	<p>-Macbooks : basic skills (typing &amp; short cuts, opening and closing programme, using the internet safely). Navigating the screen and double click mouse pad.</p> <p>-Research skills – Where are the Rainforests of the world located and what can be done to maintain them?</p> <p>-Internet safety – knowing the credibility of information I am reading.</p>	<p>Macbooks – basic skills (increased typing speed and accuracy, opening and closing programme, using the internet safely). Navigating the screen and double click mouse pad.</p> <p>-Reading wise comprehension programme.</p> <p>-Researching the Mayans and sharing the information in a PowerPoint presentation.</p>	<p>-Design a poster about online safety. Programming.</p> <p>-Coding, Gaming and Robotics.</p> <p>-3D Moon world in Kodu.</p> <p>Link – Earth &amp; Space Kodu.</p> <p><b>MGL (Educational Consultant) to add additional teaching this term.</b></p>	<p>-Collecting, exploring and recording data Spreadsheet and graphs.</p> <p>-Presenting findings Excel.</p> <p>-Problem solving &amp; the real world Cad Design using Sketch Up.</p> <p>-Create &amp; Share Digital Artefacts.</p> <p>-Create Digital Pop Art using Picassa. - Online photo editing</p> <p><b>MGL (Educational Consultant) to add additional teaching this term.</b></p>	<p>Macbooks – basic skills (increased typing speed and accuracy, opening and closing programme, using the internet safely). Navigating the screen and double click mouse pad.</p> <p>-Reading wise comprehension programme.</p> <p>-Links to History &amp; Geography using cameras to photograph the landscape and skyline from school.</p>
Year 6	<p>-TTRS.</p> <p>-Reading Wise.</p>	<p>-TTRS.</p> <p>-Mac books for writing newspaper report about Guy Fawkes. (Purple Mash).</p> <p>-Purple mash for grammar.</p> <p>-Word processing.</p> <p>-Research ww2.</p> <p>-Reading Wise.</p>	<p>-TT</p> <p>-Research and present Evolution linking to science.</p>	<p>-Design a poster about online safety.</p> <p>-TTRS.</p> <p>-Links to Geography, Google Maps map software &amp; atlases.</p> <p>-Reading Wise.</p> <p>-Presentation using PowerPoint or Prezi, adding pictures, changing font size and colour. Saving and retrieving.</p>	<p>-TTRS.</p> <p>-Reading Wise.</p> <p>-Presentation using PowerPoint or Prezi, adding pictures, transitions and animations. Changing font size and colour. Saving and retrieving. Adding sound and hyperlink.</p>	<p>-TTRS.</p> <p>-Produce, edit &amp; publish media.</p> <p>-Create a website using Komposer and HTML.</p> <p>-Create and share digital artefacts.</p> <p>-Podcasting using AUDACITY.</p> <p>-Programming, Coding, Gaming and Robotics.</p> <p>-Creating algorithms in Scratch to make a game.</p> <p><b>MGL (Educational Consultant) to add additional teaching this term.</b></p>
