

Year 5 Maths focus for weeks 1 and 2:

Please follow the link to Oak National Academy where your child can access 10 lessons about 'Time' which can be completed over the two weeks.

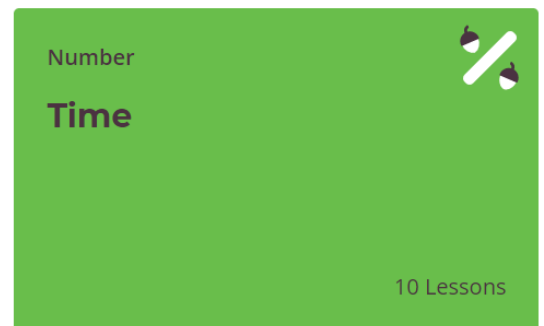

<https://classroom.thenational.academy/units/time-a1c3>

These lessons are created by teachers and all follow the same structure. They begin with a quiz, followed by a video which teaches the objective. There is a worksheet to complete which you can either print or write the answers on your own paper.

Any work your child completes can be sent to our year group email:

year5@oliprimaryschool.co.uk

Your child can also complete additional maths activities by logging on to Times Tables Rock Stars <https://play.ttrockstars.com/auth>

Or Purple Mash <https://www.purplemash.com/sch/ourlady-l5>
