

Week 1 and 2

Maths lessons for this week using the Oak National Academy

Use the link <https://classroom.thenational.academy/units/calculation-problems-84d5> to access the year 6 online classroom. Select the lesson- **calculation problems**. There are 10 lessons so that means 1 lesson per day.

You will find 10 lessons based around problem solving which look like this

They will need a note pad or paper and a pen/pencil.

<p>Lesson 1</p> <p>Understanding which operations have equal priority</p> <p>12m video</p>	<p>Lesson 2</p> <p>Order of operations</p> <p>20m video</p>
<p>Lesson 3</p> <p>Consolidating order of operations</p> <p>18m video</p>	<p>Lesson 4</p> <p>Linear number sequences</p> <p>28m video</p>

Once your child has completed the lesson **can you please send a screen shot of their final page** which says lesson completed.

If your child is finding this lesson too challenging, there is lots of maths lesson about problem solving on the year 5 Oak academy page <https://classroom.thenational.academy/units/problem-solving-with-integer-addition-and-subtraction-2a10> and lessons are also available on Purple Mash, which will allow them to recap prior learning.

If you require any assistance or have a completed work to send us, please email at **year6@oliprimaryschool.co.uk**
Year 6 Team
Mr Cotton and Miss Gallagher.
