Week 2

Year 3 - Week 2

THIRD SPACE
LEARNING

This week in a nutshell:

This is the first week children will be exposed to questions which are not in the 'traditional' format of 'question = answer space'.

Mental methods this week focus on:

- The five times tables
- Number facts to 20
- Mental addition and subtraction of two digit numbers and ones and tens

Written subtraction, within 100, is also introduced this week, but at a level that children should be familiar with from KS1, and which they should be able to approach using informal written methods/jottings.
