

Year 2 English activities

World Book day is a celebration of books and reading and while it is very different this year , lets do our best to celebrate ! We have decided that rather than just celebrate for one day, we would include world book day activities all week!

There are lots of additional ideas and activities on the world book day website and in this pack that you can use and complete if you wish to throughout the week, but here is our list of activities we have chosen all related to books, reading and of course World Book Day!

Monday-

We will be starting the week off with a fun quiz. On the main weekly plan is a link to a PowerPoint called 'The Masked Reader'. This involves you using clues to guess celebrities and their favourite books. Once you have completed the quiz you could-

Find one of the stories online to read and enjoy

Become the masked reader and create clues about yourself and your favourite book for a family member

Tuesday-

We have done lots of work on the book 'Fantastic Mr Fox' and if you continued reading it for pleasure last week will have hopefully nearly finished it. Today we would like you to find out a little bit more about the author of this book.

Here is a video to get you started with your research- [Author video](#)

When you have found enough information can you create a poster or fact file about this author?

Wednesday-

As we have continued reading Fantastic Mr Fox daily in school and at home, we now know enough to be able to take on a challenge to help Mr Fox. After reading chapter 7 we were worried that Mr Fox and his wife and children would end up with no home. Could you use an old box, cardboard or tupperware tub and lots of bits and bobs you may have around your house to create a new home for Mr Fox? Remember what you already know about his family, where he used to live and what things he likes to be able to create the perfect home for him. We would love to see pictures or videos once they are finished!

Thursday-

Today is the official World Book Day!

Attached in this pack is a book hunt to have a go at with your family, a star reading challenge you can begin and some fun wordsearch activities. Please feel free to choose one or all of these to complete.

At 10am is the official 'drop everything and read', so please take part in this and enjoy your favourite book!

Friday-

As this is the last day at home before we are all reunited again in the classroom we would love for you to reflect on these very different times over the past 8 weeks. Have a think about what you have really enjoyed about having this time at home with your family, can you tell us or write down 5 things that you will miss when you come back to school?

As well as times of happiness and enjoyment, we know there have been many times when we have thought about and discussed being back in school. Can you tell us or write down 5 things you are looking forward to about coming back to school?
