- Resources are also linked within this document - click on 'PDF', 'Weblink', 'Powerpoint' or 'Video' below to link to this.
- No printing is required - all activities can be completed on paper and there is a paper pack available in school.
- During the week complete the activities that you can, as best as you can, with the time and support available to you. The activities can be done throughout the week when best suits you and your child as we understand focusing young children for long periods of time is difficult and they learn best when exploring, talking and playing with the support of an adult. Try to have a screen free day this week and enjoy the outdoors if you can.
- Please email photographs of your child's completed work to [reception@oliprimaryschool.co.uk](mailto:reception@oliprimaryschool.co.uk).
