

## Music with Mrs Naylor

Hello Year Two, I hope you have had a lovely rest in your week off school. This week in music we are going to start with an energetic body percussion piece to warm up, Sir Duke by Stevie Wonder. There are easy sections and then parts that are a little more challenging. The good thing about the challenging parts are that they repeat a lot, giving you a chance to practice and manage to fit all the different actions in. Good Luck, I hope you enjoy it!

If you didn't manage to watch all of the Peter and the Wolf video, I have found a much shorter version here.

Once you have watched you can visit <https://www.nyphilkids.org/> where you can explore the instruments of the orchestral, play games and even listen to a concert. This is a really fun site; I am sure you will enjoy.
