Flashback 4

1) Which day comes before Friday? **Thursday**

2) Which is more?

 or

3) Which is true?

50 > 60   or   50 < 60   **50 < 60**

4) What number is one more than 29?   **30**
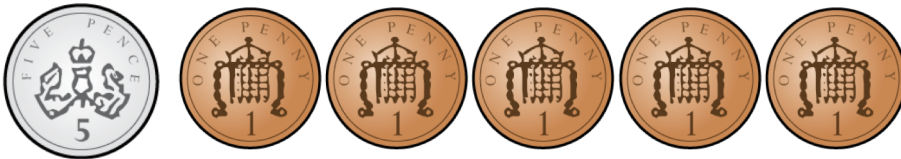

Flashback 4

1) What time does the clock show?

7 o'clock

2) Here is 10p. Draw another way to make 10p

e.g.

3) Which is true?

$58 > 55$ or $58 < 55$

$58 > 55$
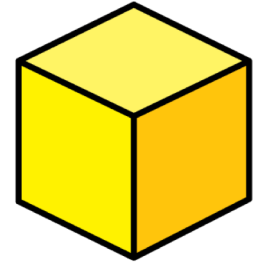

4) What number is one less than 50?
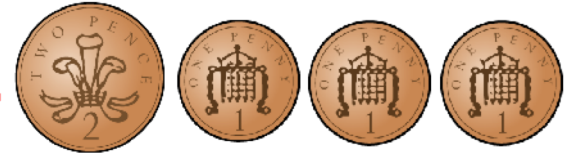

49

1)   What time does the clock show?

2 o'clock

2)   Which month comes before January?   December
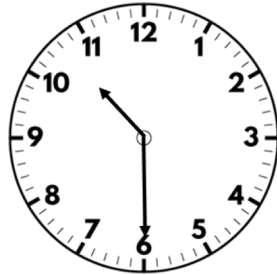

3)   Here is 5p. Draw a different way to make 5p

e.g.

4)   What is one more than 25?   26

White Rose Maths

1) What is the time on the clock?
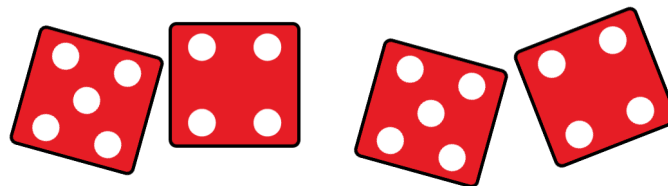

Half past 10

2) Which day comes before Monday? Sunday

2) Which is more?

FIVE PENCE 5   FIVE PENCE 5   FIVE PENCE 5   or   TWENTY PENCE 20   TWENTY PENCE 20

4) What is double 9?   18

White Rose Maths
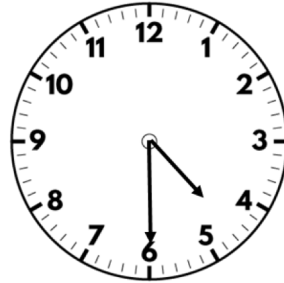

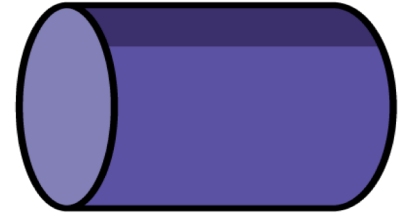

1) What is the time on the clock?

Half past 4

2) Which day comes after Monday?   Tuesday

3) Which value does not have a coin?

5p   8p   2p   10p   8p

4) What is double 6?   12

Flashback 4

1)   Which is longer?

     | 1 minute | or | 10 seconds | 1 minute

2)   Which month comes after October?   November

3)   Which value does not have a coin?

   5p   10p   15p   20p   15p

4)   What is 15 add 3?   18

White Rose Maths

1)   Which is longer?

| I minute | or | I hour |

I hour

2)   What time does the clock show?

Half past II

3)   Find one more and one less.

I less   I more
28   29   30

4)   What is 15 takeaway 5?   10
