

- Attached is a suggested timetable of when you could complete each activity. The activities on Seesaw and Purple Mash will only be available on the day they are required to be completed

• No printing is required - all activities can be completed on paper or in your child's home learning book or online via Seesaw and Purple Mash

- Complete the activities that you can, as best as you can, with the time and support available to you.

English: Reading and writing	We will be completing some activities related to our class text 'The Hunter' and finishing the book to then complete a book review. All learning will be uploaded on Seesaw and you can use this link to find the video The Hunter
Spelling	This week we will be continuing work on suffixes. Our focus will be using er and es at the end of words. Your activities will be uploaded to Seesaw each day for you to complete.
Maths	This week we will be reviewing our knowledge of Times Tables. Please see Seesaw for your activities each day.
Come and See	This week we are learning about the stations of the cross which show the last events in Jesus' life. Please log in to purple mash and complete the activity. There is an information video and sorting activity to show your understanding.
Geography	You will be exploring all of the different Easter traditions that happen around the world with an informative ppt. You can then complete your own Easter Tradition activity on the template provided. Please see your Seesaw account for this.
PE	We have been focusing on indoor athletics, including running and jumping activities. It would be great to see a picture or video of you in your garden completing one of the following with your family- Relay races (passing a baton or item you have at home to use) Sprinting races - who is faster, you or your sibling? You or your parent/carer? Use small items to create an obstacle course to practise your jumping skills. Remember that a leap can be used for jumping longer or higher and a hop can be used for jumping a small distance.
Easter Activities	We will be sending you some activities you can choose to complete via Seesaw, like making an Easter card, designing a new flavoured Easter Egg or creating Easter finger puppets. There will also be an Easter egg hunt activity on Purple Mash.
