

Hello Year Six,

I hope you are all well.

In music today, we have an upbeat body percussion warm up. You may recognise this music from Sing, the film. It is called 'Faith' by Stevie Wonder and Ariana Grande. I hope you enjoy it.

This week I have a link for you to be as creative as possible, exploring 'Chrome lab'. It is a fantastic site that I know you will enjoy making music with.

<https://musiclab.chromeexperiments.com/>

To finish today we have a really inspiring and uplifting song from SingUp at home called, 'I love my Life'. This song is 11th on the list and it has lyrics and a track to sing along with. I hope this brings you some joy, singing along at home. Singing always makes me feel better 😊

Take care and see you soon.

Mrs Naylor
