Advent 2022

The Children will take part in a collective worship around the advent wreath each day during advent. This enables them to reflect on the true meaning of Christmas.

Advent giving

During advent we try to think of others who are less fortunate than ourselves. The children have asked if we can support a women's refuge and a foodbank as part of their advent giving this year. More information will follow from the school council.

As a staff we are very aware that there are a lot of financial pressures on our families at this time of year so please do not feel under any pressure to buy presents for staff.

The School Choir have been invited to sing a selection of Christmas carols at a local home for the elderly on Monday 19th December. The children are very excited to take part in this and once the arrangements for the visit have been completed we will inform the parents of those children involved.

The staff and I would like to wish all of our families a happy and peaceful Christmas and a happy new year.
