

## Two Year Old Room Curriculum Information

The children in the Two Year room have enjoyed taking part in outdoor sensory circuits. This helps to strengthen and develop their core muscles along with their gross motor movements.

Our book focus this term is "Each Peach Pear Plum By Janet and Allan Ahlberg." The children have enjoyed the rhyming aspects of this story book and learning some new traditional nursery rhymes. We are also going to be listening to more traditional stories too.

For our come and see topic "Growing" we are going to be planting some seeds and watching how they grow into beautiful flowers. We have also enjoyed looking at our family photographs and we have talked about how we have grown. We will be doing a sponsored muddy puddle wellie walk to raise money for Lent.

The children are working really hard with their potty and toilet training. Every child is unique and will master this in their own time. It will bring confidence and independence to your child.

Please can you continue to support us with attendance by ensuring that your child attends Nursery every day unless they are poorly. Establishing good habits from an early age ensures your child develops a love of learning and helps them to reach their full potential.

# Mrs Sergeants Desk Spring 2023

## Staff news

Mrs Thomas who works in year 3 and breakfast club, will be leaving us on 10th March to begin a new career supporting adults in the community. We wish her all the best in the future and we thank her for all of her work with the children over the last 13 years in school.

## E safety parent and child workshops \*

Parents of older children will be invited into school to take part in e-safety workshops. As Nursery are so young, Miss Davin will be delivering the information to the class in small groups and send the information out to parents to reinforce at home.

I know this is a concern for many parents so we look forward to working together to keep our children safe online.

## Mothers day celebrations. Date for your diary

**On Monday 20th March** we will be inviting mums, nans, aunties into school to celebrate mothers day with the children. More information will follow

## Spring term parents evening - Monday 3rd April

Parents will be able to book to see their child's teacher to discuss their progress so far this year. Information will follow through our school APP nearer the time.
