### Lenten Giving

As part of our Lenten promise, pupils in Year 6 will be designing and decorating cakes and biscuits which will be available for sale during the week of **27th March**. All money raised will be donated to a good cause. This will help our children to have a deeper understanding of how a community can work together to help others. More information about this event will follow soon.

### Homework Support

We are continuing to provide homework each week based on our learning in class and to prepare the children for SATs in May. Homework is handed out each Friday, expected to be returned by the following Wednesday. SATs booster sessions also occur every Wednesday, 3:20pm-4:20pm, and we encourage all children to attend these invaluable sessions. A snack and drink will be provided.

### Reading

We would urge parents to encourage their child to read every night, for at least 15-20 minutes. We would also like children to try to vary the literature they read, to include: fiction and non-fiction; classic novels and information texts.

Can parents/carers ensure their child is wearing the correct school uniform, including footwear, as we feel it plays a key role in promoting pride, self-confidence and a feeling of belonging.
