

Online safety through our computing & PSHE curriculum

	Autumn	Spring	Summer
EYFS	To ensure that the children know who to speak to if they ever feel unsafe or uncomfortable in a situation and highlighting this can happen in various situations (online included). 2. Showing the children how we can communicate with one another without seeing the person (text/ emails/ social media) and so how we must always be careful	To learn that we must ask permission of a trusted adult before using the internet. 2. eSafety stay and play ensuring parents know the importance of staying safe online.	Summer 1 – Internet safety day Using the traditional tales eSafety stories to support a discussion about what the different characters should do in the situations that they are in. 2. Making sure they always ask permission before they take a photo of others.
