The Inclusive School Award

This term the school was assessed for the Inclusive School Award which is nationally recognised award. During a busy assessment day the assessor looked at our evidence, met with parents, staff and governors and more importantly spoke to the children. She was so impressed with the evidence on the day that we were designated as a Centre of Excellence.

We are so proud of this achievement as we work hard to be a welcoming school where families and children feel supported and know that our mission of being “One Family Living and Learning Together in Faith.” is lived out each day.

School Comms App and School Gateway

As parents know we are moving over to a new communication APP and website called School Gateway. This enables us to streamline our messaging service and payment systems and gives parents increased facilities to pay online for clubs, trips, dinner money etc.

Please check your emails for information on how to access the new App/website.

All parents who have moved over to School Gateway by half term will be entered into a prize draw for a £50 voucher for ASDA. So don't miss out. Any problems, please call into the office and Miss Chute will be happy to help you.

Our old ParentAPP will not be used after the 10th June 2024.

The summer term is a very busy one for all in school. All of the summer term dates are on the school website at www.oliprimary.co.uk/dates-for-the-summer-term
