The Inclusive School Award

This term the school was assessed for the Inclusive School Award which is nationally recognised award. During a busy assessment day the assessor looked at our evidence, met with parents, staff and governors and more importantly spoke to the children. She was so impressed with the evidence on the day that we were designated as a Centre of Excellence.

We are so proud of this achievement as we work hard to be a welcoming school where families and children feel supported and know that our mission of being “One Family Living and Learning Together in Faith.” is lived out each day.

School Comms App and School Gateway

As parents know we are moving over to a new communication APP and website called School Gateway. This enables us to streamline our messaging service and payment systems and gives parents increased facilities to pay online for clubs, trips, dinner money etc.

Please check your emails for information on how to access the new App/website.

All parents who have moved over to School Gateway by half term will be entered into a prize draw for a £50 voucher for ASDA. So don't miss out. Any problems, please call into the office and Miss Chute will be happy to help you.

Our old ParentAPP will not be used after the 10th June 2024.

The summer term is a very busy one for all in school. All of the summer term dates are on the school website at www.oliprimary.co.uk/dates-for-the-summer-term

Year 6 curriculum information

PE /Sports news

This term we will be improving their striking and fielding skills in cricket and rounders and after the half term break, children will learn dance with our LSSP sports coach. *

Curriculum focus

In History we are learning about Crime and Punishment across the centuries in the UK. After half term, we will examine Trade in Liverpool. We will be developing our sewing skills in DT in order to make a beanbag for our playground equipment.

Class information

Our summer residential trip to Robinwood is fast approaching and all money must be paid by Friday 14th June. We also look forward to a trip in June to the Liverpool waterfront and museums. More information to follow.

Homework support

Homework has been based on English and Maths topics taught that particular week in the run up to SATs tests. After SATs, we will have a bigger focus on the foundation subjects such as History and Geography.

Home reading must continue each night, with reading records returned to class each day.

As we are now in the Summer Term, children are allowed to wear their summer uniform. Please see our website for the acceptable attire: <https://oliprimary.co.uk/parents-info/uniform/>
