Safeguarding

We have been informed that drugs paraphernalia has been found in the park and on the pavements near to school . We have informed Liverpool City Council however please take care and be vigilant with your children coming to and from school.

Parking

Please be considerate when parking near school of children , families and other road users.

Northumberland terrace is extremely busy and if parents can park and walk to school this would greatly help congestion and keep all of our children and families safe.

Disruptive or aggressive behaviour

We love to welcome visitors into school and we work hard to ensure our school remains a safe place for pupils, staff and all other members of our community.

If you have any concerns, we will always listen to them and seek to address them.

Please be aware however, that school staff ,children and families have the right to work and attend school events without fear.

Abusive, threatening or violent behaviour will not be tolerated in this school and appropriate actions will be taken.

Thank you

To all our parents and carers, thank you for attending our Christmas performances last week. We are sure you will agree that the children were a credit to their families. It was wonderful to see the birth of Jesus celebrated through actions and song. Well done to all those children who narrated so beautifully.

On behalf of the staff and governors we would like to wish our children and their families a very happy and holy Christmas and very best wishes for 2025!
