Dear Parents/ Carers,

Following recent guidance from the Local Authority, you do not need to give consent for your child to attend trips and visits which take place during normal school hours. These visits will include transport either by minibus, coach or walking to the particular venue. However, we ask that you give consent for your child to attend any trip or visit for the remainder of this academic year.

Once you have provided this, we will not ask for permission for any trip during school hours.

You will be informed of any educational trip or visit through our online school communications (School Gateway App), so can you please regularly check the school app so you are updated with all events.

Any educational trip or visit outside of school hours, including residential trips, you will be informed and asked to give consent for your child to attend.

We will resend this consent form at the beginning of next academic year to cover any educational trip or visit for 2025-2026.

If you have any questions about this, please do not hesitate to contact the school.

Kind regards,  
Mrs Sergeant.
