

Competition

Liverpool Learning Partnership is inviting families from their member schools to take part in our exciting maths competition.

All you need to do is work together at home and come up with:

- ✦ a maths joke,
- ✦ a maths riddle, or
- ✦ a short maths poem.

🏆 10 winning families will receive a board game!

This is about having fun with maths at home — silly jokes, clever riddles, or creative poems are all welcome. Big or small, we'd love to see your ideas!

Enter on our online form:

<https://forms.gle/cyHjBp685Pt5Kqsf9>

Closing date: Wednesday 22nd October
Don't miss out — get your entry in today!
