

Tuesday 4th November 2025

Dear Parents,

As you may be aware, Liverpool City Council has recently increased enforcement of parking regulations in the residential areas surrounding our school. This has unfortunately caused difficulties for both staff and parents, and you may have noticed that some staff members have temporarily resorted to parking on the grass within the school grounds.

Please be assured that this is a short-term measure, and we are actively seeking a more sustainable solution to the current parking challenges.

With this in mind, we are conscious that our upcoming Parents' Evening may result in many families receiving parking fines due to the limited availability of legal parking nearby. To make attendance possible for all families, we have decided to hold this Parents' Evening online.

While this is not our preferred approach—as we greatly value the opportunity to meet with parents in person—we believe it is the most considerate option under the current circumstances.

We welcome your feedback on this decision and appreciate your continued support and understanding.

More information will follow in the next few days.

Kind regards,

Mrs L Partington
Headteacher
