

Whistleblowing Referral

Whistleblowing is a procedure designed to allow employees, councillors and members of the public to express any concerns they have with the council and to do so without fear of victimisation, discrimination or disadvantage. If you would like to report Benefit Fraud please click [here](#)

Type of irregularity*

Financial Irregularity – Generally speaking this covers; fraud and corruption, unauthorised use of public funds and failure to comply with standing orders and financial regulations.

Complaint / Inefficiency – This would include general complaints and issues relating more to service delivery than financial investigation.

Who/What is the allegation against?*

Full details of the Concern*
