Know what to do if someone is unkind	97%
Feel their voice is heard	97%

Key Messages

Pupils report very high levels of safety and wellbeing across the school.

All pupils surveyed knew what to do if they felt worried or unsafe and identified speaking to an adult as the appropriate action.

Pupils feel that adults respond effectively to bullying concerns.

Children feel included, respected and proud to belong to the school community.

The area with the lowest positive response related to fairness (92%), which will continue to be explored through pupil voice activities.
